11. Please share any additional comments or describe in your own words your overall experience.

Customer comments:

Please share any additional comments or describe in your own words your overall experience.

A solder joint failed when I first used the unit. It was 10p.m. when I called for service. B & B (Chad) came at 11:00p.m. and worked past midnight to fix the problem. That's what I call service!!
